

EL LEGAL AND REGULATORY INDICES SNAPSHOT: SSA Population Dynamics¹

DISCLAIMER

The devised method of data representation and the mode of populating the figures in this snapshot document is not premised on and does not in any way imply the opinion of International Organizations, Ministries, Governmental Bodies and Regulatory Entities of SSA countries, relating to the legal status of the country, the territory, boundary, or delimitation of the country's frontiers.

Endnotes

- ¹ The country population is computed by an addition of the total population per region. The data source for each region's population was obtained from the various population sources of each country as represented in [Electricity Lawyer's Legal and Regulatory Briefs](#) and [Legal and Regulatory Factsheets](#) accessible on the website. The addition of the total population per region is represented in billions.
